

Elevating Work Platform

QUEENSLAND

Unit:	TLILIC0005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)
Price:	\$778 per person
Duration:	3 days
Location:	Our venue, or your worksite for groups (please ask us for a quote)
Pre-requisites:	Minimum age 18, 100 points of Identification (as per Workplace, Health & Safety QLD), adequate literacy & numeracy and USI.

It is the responsibility of an employer to ensure that all persons operating an elevating work platform are competent to do so, and that safe systems of work are provided at all times in their use. This training outlines the competency required to safely and effectively operate an EWP.

Course Delivery

A learner guide and review questions will be posted or emailed to you prior to course commencement. To fulfil the training requirements for this course, the student must read through this, complete the review questions and bring both with them on the day. This course is conducted face-to-face with the assessment based on competency i.e. ability to perform tasks to a required standard.

Assessment is conducted through a combination of practical demonstration and verbal or written questioning, including mathematics.

Course Content

- Compliance with site safety plan and WHS legislation / regulations / codes of practice applicable to workplace operations
- Safe and effective operational use of tools, harnesses, plant and equipment
- Set up, operation and shut down of an EWP including emergency safety devices, e.g. electronic override, ground controls and emergency descent devices
- Job planning and preparation, worksite inspection, equipment defect identification, hazard identification, determination of work requirements

Course Requirements

Students will need to wear appropriate clothing including a hi-visibility shirt/vest and enclosed shoes or boots, as well as meeting all pre-requisites.

Course Fees

All enrolments are considered tentative until payment has been received.

Course Outcome

Upon successful completion participants will receive a Nationally Recognised Statement of Attainment in *TLILIC0005 - Licence to operate a boom-type elevating work platform (boom length 11 metres or more)* and an Assessment Summary (AS1) from the accredited assessor to lodge your HRW Licence application.

Important

Upon successful completion of this course, participants have 60 days to submit their application for their HRW Licence online via their QGov account. Licensing fees apply.

Anyone assessed as 'not competent' can be reassessed on the relevant section **within 2 calendar months of initial assessment** (after 2 months a full reassessment will be required). All reassessments must be undertaken within 12 months.

Workplace, Health & Safety QLD HRW Licences are valid for 5 years.

Dickens Assessment and Training Services (DATS) is a privately owned Registered Training Organisation (RTO), providing quality training and assessments for individual students, industry and the vocational education and training (VET) sector. DATS was established in 2007.

We specialise in onsite and site-specific training and assessments and cover Verification of Competency in all courses offered. Our services cover all areas of Queensland and NSW. DATS also has training facilities at Pinkenba (QLD), Willawong (QLD), Coffs Harbour (NSW) and Macquarie Park (Sydney, NSW). DATS has access to plant & equipment to support the training programs.

The successful completion of one of our accredited training courses will provide your staff with a nationally recognised statement that has equal worth in all states and territories (individual licensing authorities set different requirements for their own states/territories).

SHORT COURSES OFFERED

Courses have two distinct phases, a training phase and an assessment phase. DATS has an extensive range of training programs accredited by ASQA.
