

Unit: RIIWHS204E - Work safely at heights
Price: \$325 per person
Duration: 1 day
Location: Our venue, or your worksite for groups (please ask us for a quote)
Pre-requisites: Unique Student Identifier.

It is recommended that the student has adequate health and fitness to carry out tasks safely, and adequate literacy and numeracy to complete the Assessment.

Many work operations are conducted above ground level or the workplace floor. Falling from such heights is a serious hazard and a major cause of workplace injury. Working at heights can become even more dangerous because of weather conditions, inadequate housekeeping and poorly designed and inadequately maintained equipment.

Those responsible for health and safety in the workplace, and those who work at heights, should be familiar with the design principles that can eliminate or control the hazardous elements of working at heights. They should also be familiar with the use of safety equipment.

Course Delivery

A learner guide and review questions will be provided to the student prior to course commencement. To fulfil the training requirements for this course, the student must read through this, complete the review questions and bring both with them on the day.

This course is delivered face-to-face including classroom theory and practical training.

Course Content

This course will alert participants to the hazards of working at heights and the potential for serious or fatal injury.

On completion, participants will be able to recognise and assess hazards of working at heights. They will also know how to apply this knowledge in their own workplaces with a focus on eliminating potential hazards. The following areas are covered:

- Recognising the hazards
- Understanding the health effects
- Complying with the law
- Identifying and assessing hazards
- Recommending control measures and programs
- Fall Prevention
- Hand Rail & Guard Rail Systems
- Harness & Safety Systems
- Eliminating risks
- Rescue plan

Course Requirements

Students will need to wear appropriate clothing including a hi-visibility shirt/vest and enclosed shoes or boots, as well as meet all pre-requisites.

Course Fees

All enrolments are considered tentative until payment has been received.

Course Outcome

Upon successful completion participants will receive a Nationally Recognised Statement of Attainment in *RIIWHS204E - Work safely at heights*.

It is recommended that a refresher course be undertaken every 2 years.

Dickens Assessment and Training Services (DATS) is a privately owned Registered Training Organisation (RTO), providing quality training and assessments for individual students, industry and the vocational education and training (VET) sector. DATS was established in 2007.

We specialise in onsite and site-specific training and assessments and cover Verification of Competency in all courses offered. Our services cover all areas of Queensland and NSW. DATS also has training facilities at Pinkenba (QLD), Willawong (QLD), Coffs Harbour (NSW) and Macquarie Park (Sydney, NSW). DATS has access to plant & equipment to support the training programs.

The successful completion of one of our accredited training courses will provide your staff with a nationally recognised statement that has equal worth in all states and territories (individual licensing authorities set different requirements for their own states/territories).

SHORT COURSES OFFERED

Courses have two distinct phases, a training phase and an assessment phase. DATS has an extensive range of training programs accredited by ASQA.

RII Accredited Courses

- RIIHAN203E-Conduct lifting operations
- RIIHAN301E-Operate elevating work platform
- RIIHAN305D-Operate a gantry or overhead crane (remote control)
- RIIHAN307E-Operate a vehicle loading crane
- RIIHAN308F-Load and unload plant
- RIIHAN309F-Conduct telescopic materials handler operations
- RIIMPO315E-Conduct tractor operations
- RIIMPO317F-Conduct roller operations
- RIIMPO318F-Conduct civil construction skid steer loader operations
- RIIMPO319E-Conduct backhoe/loader operations
- RIIMPO320F-Conduct civil construction excavator operations
- RIIMPO321F-Conduct civil construction wheeled front end loader operations
- RIIMPO322E-Conduct civil construction tracked front end loader operations
- RIIMPO323E-Conduct civil construction dozer operations
- RIIMPO324F-Conduct civil construction grader operations
- RIIMPO325E-Conduct civil construction scraper operations
- RIIMPO326E-Conduct water vehicle operations
- RIIMPO337E-Conduct articulated haul truck operations
- RIIMPO338E-Conduct rigid haul truck operations
- RIIVEH304E-Conduct tip truck operations
- RIIVHS202E-Enter and work in confined spaces
- RIIVHS204E-Work safely at heights
- RIISAM203E-Use hand and power tools

TLI Accredited Courses

- TLIA1001-Secure cargo
- TLID0015-Load and unload goods/cargo
- TLID0020-Shift materials safely using manual handling methods
- TLIF0009-Ensure the safety of transport activities (Chain of

Responsibility)

- TLIF2010-Apply fatigue management strategies

High Risk Work Licence Courses

- CPCCLDG3001-Licence to perform dogging
- CPCCLRG3001-Licence to perform rigging basic level - QLD
- CPCCLSF2001-Licence to erect, alter & dismantle scaffolding basic level
- CPCCLBM3001-Licence to operate a concrete placing boom
- CPCCLHS3001-Licence to operate a personnel and materials hoist
- CPCCLHS3002-Licence to operate a materials hoist
- TLILIC0022-Licence to operate a slewing mobile crane (up to 20 tonnes)
- TLILIC0023-Licence to operate a slewing mobile crane (up to 60 tonnes)
- TLILIC0021-Licence to operate a slewing mobile crane (up to 100 tonnes)
- TLILIC0020-Licence to operate a slewing mobile crane (over 100 tonnes)
- TLILIC0005-Licence to operate a boom-type elevating work platform (boom length 11 metres or more)
- TLILIC0018-Licence to operate a non-slewing mobile crane (greater than 3 tonnes capacity)
- TLILIC0024-Licence to operate a vehicle loading crane (capacity 10 metre tonnes and above)
- TLILIC0003-Licence to operate a forklift truck
- TLILIC0004-Licence to operate an order picking forklift truck

Additional Courses

- AHCMOM213-Operate and maintain chainsaws
- AHPCPM205-Fell small trees
- AURTGA001-Drive and manoeuvre trailers
- CPCWHS1001-Prepare to work safely in the construction Industry (White Card)
- MSMWHS216-Operate breathing apparatus
- MSMWHS217-Gas test atmospheres
- PMASUP236-Operate vehicles in the field
- Work near overhead powerlines*

Association Specific Courses

*EWPA Operator Licence - 'Yellow Card'

- Scissor Lift
- Cherry Picker (trailer mounted)
- Vertical Lift
- Truck Mounted lift
- Boom Lift < 11 metres
- EWP Transport Module

*TSHA Operator Licence – 'Gold Card'

*Non-accredited
