

Unit:	CPCCLRG3001 - Licence to perform rigging basic level
Price:	Price on application
Duration:	See below
Location:	Our venue or at your worksite
Pre-requisites:	Hold the unit Licence to perform dogging & High Risk Work Licence for class DG, minimum age 18, 100 points of Identification (as per Workplace, Health & Safety QLD), adequate literacy & numeracy and USI.

This unit specifies the outcomes required to perform basic rigging work associated with movement of plant and equipment, steel erections, hoists (including mast climbing hoists), placement of pre-cast concrete, safety nets and static lines, perimeter safety screens and shutters; and cantilever crane loading platforms for licensing purposes.

Course Delivery

A learner guide and review questions will be provided to the student prior to course commencement. To fulfil the training requirements

for this course, the student must read through this, complete the review questions and bring both with them on the day.

The course consists of face-to-face theory, mathematical and practical training.

Assessment is conducted through a combination of practical demonstration and verbal or written questioning, including mathematics.

Students may choose to undertake workplace training - After 1 day of formal training, students are issued with a logbook to record their practical workplace training (196 hours) under the supervision of a licensed operator. When the student is ready, a final assessment will be undertaken. Final assessment must be completed within 12 months.
