Course Outcome

Upon successful completion participants will receive a Nationally Recognised Statement of Attainment in *CPCWHS1001 - Prepare to work safely in the construction industry* and a Work Health Safety QLD Whitecard.

This general induction training covers the mandatory work health and safety training required prior to undertaking construction work or conduct work on a construction site. It includes a basic knowledge of requirements under WHS Act, the common hazards and risks likely to be encountered on construction sites and how these risks should be controlled.

Course Delivery

This course is delivered face-to-face in a classroom setting with an assessment conducted via verbal questioning, written testing and practical demonstration.

Dickens Assessment and Training Services (DATS) is a privately owned Registered Training Organisation (RTO), providing quality training and assessments for individual students, industry and the vocational education and training (VET) sector. DATS was established in 2007.

We specialise in onsite and site-specific training and assessments and cover Verification of Competency in all courses offered. Our services cover all areas of Queensland and NSW. DATS also has training facilities at Pinkenba (QLD), Willawong (QLD), Coffs Harbour (NSW) and Macquarie Park (Sydney, NSW). DATS has access to plant & equipment to support the training programs.

The successful completion of one of our accredited training courses will provide your staff with a nationally recognised statement that has equal worth in all states and territories (individual licensing authorities set different requirements for their own states/territories).

SHORT COURSES OFFERED

Courses have two distinct phases, a training phase and an assessment phase. DATS has an extensive range of training programs accredited by ASQA.
